MESSAGE

I am pleased to know that kendriya vidyalaya A.F.S Tughlakabad, Delhi Second Shift is publishing its maiden E-journal. It will cover and record the diverse range of school activities and library activities conducted round the year. I am sure that it will be a repository of interesting ideas and will also tap students' creative potential besides inculcating reading habits in them. I am sure that maximum number of students would explore the possibilities of contributing to the journal to make it a success.

I would like to congratulate our librarian Mr. V.B.Pathak and his committee for bringing the vidyalaya library on the web. I appreciate the efforts made by young designer and editor - Sateesh Kumar of class XII (humanities) for his tireless efforts in bringing out the first volume.

All The Best!
